

# CCPOA MEMBER ALERT

***CCPOA's MOU bill approved by  
Assembly, awaits governor's signature***

Monday, May 16, 2011

At approximately 1:00 pm this afternoon, the California State Assembly granted final approval to Senate Bill 151 (Correa) on its first floor vote attempt. Our MOU was able to garner the requisite 2/3 vote necessary for its passage. The bill now heads to the desk of Governor Brown for his signature.

All 52 Assembly Democrats voted "AYE" for the bill.

Republican Assembly Members Paul Cook and Katcho Achadjian were the only two Assembly Republicans to vote "AYE" and support CCPOA's collective bargaining legislation.

The bill could be signed as early as today.

We will keep you posted as more information becomes available.
