**FLIP:** Meg has promised to create 2 million new private sector jobs if elected governor. (*Meg Whitman: Meg 2010- Policy Agenda*)

**FLIP:** Whitman said she'll create a system that "holds employers accountable for following the law" and that "We are never going to solve the problem of illegal immigration as long as there is a strong demand for undocumented workers." (*Meg Whitman: Meg 2010- Policy Agenda*)

**FLOP:** Whitman herself hired an illegal immigrant as nanny/maid. Meg and her husband knew she was illegal six years ago. Whitman abruptly fired the nanny in 2009, just after Meg decided to run for governor. (*Los Angeles Times, 10/6/10*)
