*****UPDATE-Parole Agent Shot During
Sweep***

January 6, 2012

The agent that was shot on January 4 in Lake View Terrace was transported to a nearby hospital where he underwent surgery later that evening. Prior to surgery, he was sitting up in the hospital bed, in very good spirits, conversing with family and friends. We are told that the surgery went well. Part of his lower jaw was wired, however, they were unable to remove the round at that time because of the swelling in the area. He remains in the hospital in stable condition.

The other two Agents were also injured during the incident, one of whom suffered a broken wrist and hand. Both were treated and released.
