State Board,

As we informed you last week, CCPOA has filed in Superior Court regarding the proposed furlough days. Late on January 12, 2009 the following petition was filed. We anticipate moving forward with a motion for injunctive relief Thursday or Friday of this week. We will notify you as soon as we have filed for said TRO. It is our belief that we have good cause for action as detailed in the document, based upon the inability of CDCR to furlough our members by "closing" prisons, parole offices etc for two days a month. As more documentation is produced in this case, we will forward it to you and post it on the web.

Feel free to share this Court filing with your members as it will be posted on the CCPOA web page later today.

Chuck
