APPRENTICESHIP COMPLAINT 2010-07

Dear Sirs,

On April 29, 2010 the Apprenticeship Committee met and issued a final determination on the apprenticeship complaint you filed. The Committee awarded full apprenticeship credit for your Youth Correctional Officer (YCO) experience toward your Youth Correctional Counselor apprenticeship period.

By copy of this memo, the Apprenticeship Committee directs the Training Officer at Preston Youth Correctional Facility to complete an amended apprentice agreement for each of you adjusting the apprenticeship period to include credit for your YCO experience. The Training Officer shall then submit the amended agreement to the Personnel Office at Preston so your pay can be adjusted in accordance with this decision.

If you have any questions related to this decision, please contact Evonne Garner at (916) 323-2774.

If you are not satisfied with this decision, you have the right to appeal it to the Department of Industrial Relations, California Apprenticeship Council according to the terms set forth in Sections 3081-3084.5 of the California Labor Code.

Sincerely,

KURT O. WILSON
